## LAND APPEAL

We are always on the lookout for land to be able to give members choice for events. If you know of anywhere you think may be suitable please contact any committee member with the details.

### **POLITE REMINDER:-**

**Please remember to use sensible speed when driving to and from event sites. Land is precious to us and to lose any would be catastrophic for the club. Always pick up litter whether or not it belongs to you and as much as possible leave the site as you found it. Thank you**

The club now has our own YouTube and TIKTOK CHANNEL – Search for Lincolnshire Land Rover Club to see the latest videos.

### Appeal for marshals at events

We need you – we can't RUN events without you. If you would like to know a little more about marshalling or helping at events, please get in touch with Andy Balistrari on 07984 447802.

Andy is Chief Marshal and will happy to speak to you and assist you on the day of an event.

Phil Bayliss overall winner of the Malachi 2024

## **MARSHAL AND OFFICIAL INCENTIVE 2025**

Marshal's and officials at any event are essential for events to run, these roles range from the cofc on the day, the scrutineers, the time keepers, marshals and signing on processes. Without anyone taking on these roles events just cannot run. To encourage members to assist with these roles the committee has devised an incentive scheme starting from the first event of the year running until the last event of the year. The scheme will reward members with a free membership for the following year, so a saving currently of £25. To be part of the incentive the member must be an official at a minimum 6 competitive events in 2025.

As well as the incentive there are also 2 perpetual trophies up for grabs at the annual Presentation evening – Most signed on and Marshal of the year. The committee really appreciate the help that members do when they volunteer and help in any way they can, so that we can all go out and enjoy our sport.

This scheme is a way of saying THANK YOU.

The club is now a member of The East Midland Association of Motor Club Ltd, where we can use their services for training and guidance if we need it.

## The 2025 Nationals @ Stainby

Planning is well underway for the Nationals at Stainby3 Clubs of Lincs, P&D and Leicestershire and Rutland are working behind the scenes to make sure we have a successful National Rally. Lincs is running the Comp Safari, so it would be good to get as many members there not only for the comp, but to help in any way over the weekend. If any members have any ideas for trade stands, food stands or sponsorship get in contact with myself. Every increasing costs on things like toilets, showers and waste disposal are hindering costs, if anyone knows of local business that can help, it would be much appreciated, as the costs of these will be getting passed down into the entry price unfortunately. Bookings are now live – so what are you waiting for, get booked in.

## EDITORS/CHAIRMAN RAMBLINGS

So we have come to the end of the 2024 season, and it has flown by. The Malachi was our last event of the year and I am glad to say the weather was relatively pleasant for a Decembers weekend. Thank you to all club members and the competitors who supported the weekend. It was also nice to catch up with members past and present at the event to see how the club is still going from strength to strength.

The magazine has full of content, the final results from all championships have been put in, and also available on Facebook. Well done to all the winners, please make sure you come and celebrate your win at the Annual Dinner and Dance to be held at The Ashbourne on the 15<sup>th</sup> of February .Get your bookings in early please so we can get everything all organised.

The 2025 calender is present in the magazine, if you see an event that you can assist in running, please get your preference to Jon Sharpe to make sure it doesn't go. Remember you need to set an event to be part of the Championship.

Your club membership will run out on the 31<sup>st</sup> December as well as your MSUK clubmans License. Please make sure you action these early so you can compete for next year.

As a committee we have decided to keep all fees for 2025 frozen again. With your support and the support of our sponsors this has been possible. THANK YOU for allowing the club to keep sustainable with a good competitive presence at all our events held.

Hope everyone has a good Christmas and New year - David

## Our Code of Conduct

### Please take your time to read and understand this

Use only rights of way with known, proven or provable vehicular rights. If challenged, discuss; if not resolved, then leave as requested until status is rechecked.

**Keep to the defined track.** Detour only to pass immovable obstructions. Report any obstructions (including low branches) to the highway authority and the local GLASS Area Representative. Be critical of your own abilities and equipment when assessing an obstruction; it is your right to abate a non-lawful obstruction, but do not commit yourself to a bigger task than you are equipped for.

If the route is not obvious on the ground, ask locally, or check on the maps held at the highway authority offices or consult the local GLASS Area Representative.

**Travel at a quiet and unobtrusive pace** and as slowly as practicable; we recommend a maximum of 12 mph when in a 4x4 and on an Unsurfaced Right of Way (URoW). Ensure your vehicle is fully road-legal, URoW are subject to the same laws as surfaced roads.

**When travelling in groups keep to a small number, four or less in sensitive areas,** in other areas up to six vehicles **MAY** be acceptable. Guidance should be sought from the relevant GLASS Area Representative. Weather and ground conditions should also be taken into account. On routes in good condition, split larger parties up and either use a different route or allow a good interval, at least 30 minutes, to elapse before following. With adverse weather and/or poor ground conditions avoid committing a second group to follow the same route.

Do not travel on URoW when they risk being affected beyond a point of natural recovery once the weather improves. If need be, walk some or the entire route first to determine its suitability. Do not use URoW that maybe damaged by the wheel pressure applied by your vehicle.

**Avoid damage** to trees, hedgerows and boundaries. Some roads carry vehicular rights but are physically too narrow for 4x4s.

Do not practice recovery techniques on any URoW. Use a winch only with extreme caution, and use only the correct equipment and techniques.

Be courteous to other road users - pull over and stop your vehicle for walkers, but pull over, stop your vehicle and switch off the engine for passing horses. Thank those who move over for you.

After consultations with Country Landowners Association and National Farmers Union HQ's, **"best practice"** dictates that gates if they were found to be secured in an open position should be left open and those which are found shut or swinging should be shut behind you; the landowner might appreciate being told about a gate insecurely propped open if you see them.

Keep dogs and children under supervision. Watch out for injured or trapped animals, and report all suspicious events to the landholder.

Guard against all risks of fire. Take your litter home and that left by others if you see it, wherever practicable. Plastic bags can suffocate livestock if swallowed.

Help to keep all water clean. Remember that wildlife faces many threats and URoW are valuable habitats, take special care in spring and early summer. **Follow the Country Code**, it is for your guidance only.

Be considerate of group sizes at meeting points or food stops.

Would you like to sponsor an event or a Championship in 2025?

As in previous years work is afoot to gain sponsorship for the championships and events but we also want to give you, the club members the opportunity to sponsor an event if you wish.

Here are the basic details:-

The sponsorship on offer is for individual events often alongside the championship sponsor.

What will I get for my money I hear you ask?

- One membership
- Your name on the trophies at each event
- An advert in our bi-monthly magazine (if applicable)
- Frequent mentions on both our Website and Facebook pages where possible.

For individual events the cost is £75 (or £50 for existing Club Members.)

What happens next:-

If you would like to sponsor an event then please take a look at the Provisional Calendar and pick which event(s) you would like to sponsor. These will be allocated on a first come first served basis so if you wish to do this please act quickly. Please either contact myself (David) or Jon Sharpe to stake your claim and we will do the rest.
