The committee meet on the second Tuesday of the month

You may attend but you should contact the club secretary in advance if you have any issues that you may wish to discuss with the committee.

We are always on the lookout for new members to join the committee, if you think that you could offer your services in the running of your club get into touch with a committee member.

The club now has our own YouTube and TIKTOK CHANNEL – Search for Lincolnshire Land Rover Club to see the latest videos.

**The Press deadline for articles to be included in the Magazine is 8th
February 2026**

All competitive events start at 10 am unless otherwise stated. You must give yourself sufficient time before this time to sign on and get your vehicle scrutineered. You may not be permitted to enter an event after the drivers briefing. For any event next year, please make sure that you renew your **2026 club membership card, 2026 Motorsport UK RS Clubman License**. For Comp Safari and CCV's you will also need your **ALRC logbook**.

Editors/Chairman Ramblings

I will start off by saying Happy Christmas and a Happy New year, where have the past 12 months gone, they have flown by. We have had a busy end to the season, with plenty of events, we had have had 3 night events, which have become a main stay in our calendar and ones that attract members from other clubs to come and take part. I hope everyone who attended enjoyed themselves. We ended the season with the Malachi, which I hope was enjoyed by all and again it's an event that attracts many competitors from around the country. **I want to say a personal thanks to Brian and Tim who choose not to race in the evening due to lack of marshals, and helped marshal so everyone could go racing.** We can now enjoy a bit of an off season, ready to hit the ground running in 2026. The magazine is a bumper edition this month, with all the championship tables, well done to the winners in their respective championships. The provisional 2026 has been published, if you fancy an event to be clerk of course for, please let Jon Sharpe or an officer know which would you would like to set up to part of the championship. first come first served.

It's that time of the year for renewals as well, please don't forget to renew your 2026 MSUK License; I found it easier to do it on a pc then a phone. Also don't forget your Linc's 2026 membership, we have now gone digital, so there is a new way of applying, find the link and details in the magazine and on the website.

The presentation evening has been booked on the 28th February at a new venue, The Adam & Eve Pub in Wragby, the pub has rooms, so please get them booked early if you are planning on attending and want to stop over. The venue will be smaller to what we have had previously, due to decreasing numbers, which should allow for a more intimate setting. I have tested the food and it is top notch. Booking form and menu is in the magazine, Facebook and the website. please get booked in to reserve your place. -See you all in 2026

Thanks to all the members that have helped in any way during the past 12 months, your support in helping your club is much appreciated.
Thanks David

URGENT REQUEST

The club is in need of a Child Protection Officer, this is a role that is required for the club to function and to be able to obtain a permit from MSUK, this role has been held by Sue Blackshaw for many years, but she has now stepped down from this role, I would like to thank her for many years of doing this role. The role of CSO, is one of a silent role within the club, but the position is one we have to have, the position is there in case any Safeguarding issue comes to light. If you think you can help then please come forward, YOUR CLUB NEEDS YOU, I can get your application to the MSUK applied in time for the 2026 season. ALL THAT IS NEEDED IS A DBS CHECK AND AN ONLINE TRAINING MODULE.

Appeal for marshals at events

We need you – we can't RUN events without you. If you would like to know a little more about marshalling or helping at events, please get in touch with Andy Balistrari on 07984 447802.

Andy is Chief Marshal and will happy to speak to you and assist you on the day of an event.

MARSHAL AND OFFICIAL INCENTIVE 2025

Marshal's and officials at any event are essential for events to run, these roles range from the cofc on the day, the scrutineers, the time keepers, marshals and signing on processes. Without anyone taking on these roles events just cannot run. To encourage members to assist with these roles the committee has devised an incentive scheme starting from the first event of the year running until the last event of the year. The scheme will reward members with a free membership for the following year, so a saving currently of £25. To be part of the incentive the member must be an official at a minimum 6 competitive events in 2025.

As well as the incentive there are also 2 perpetual trophies up for grabs at the annual Presentation evening – Most signed on and Marshal of the year. The committee really appreciate the help that members do when they volunteer and help in any way they can, so that we can all go out and enjoy our sport.

This scheme is a way of saying THANK YOU.

The club is now a member of The East Midland Association of Motor Club Ltd, where we can use their services for training and guidance if we need it.

Goodwood Festival of Speed 2026

Following the success of 2025, we have been asked to take on all marshalling for the Off Road Arena at the 2026 event, which is July 9th to 12th. We need 20 marshals per day, covering the ORA and the area around.

The deal for 2026 is the same - for every day you marshal you get a packed lunch and one day free into The Festival, free campsite for the weekend (same place as last year but working on moving for 2027).

ALRC Chairman Kevin Peake will be taking over the Chief Marshall role from Jon Leckenby, and will be making sure the comments from this year's event are given consideration.

Anyone wishing to come along can you please email me on kevinjpeake@gmail.com with your contact details and the days you are available to marshal, if you would require a camping pitch and when you would be arriving on site.

Any questions feel free to ask
Kevin

MEMBERSHIP 2026

To keep costs down, and simplify the membership process we have moved to an online membership system for 2026

Click: [Apply for membership](#)

Click: [Renew membership](#)

When renewing membership, you will need to enter the email address you gave us. The system will then email you a link to allow a password to be set and complete any other details.

Club membership runs for 12 months from Jan 1st to December 31st in a calendar year.

All members who have provided their email address will receive the club magazine and emails about changes to the calendar.

Full membership is now at the reduced cost of £20 for the year.

Family membership allows two adults and any children under the age of 18 and living at the same address to be members. All participants for the family membership must be applied for at the same time for the discount to apply. £40.00 per year

Additional members – We no longer offer this option, since the magazine and membership cards are all virtual.

You can join or renew as a member at any event, or by filling in the form above.

If you are unable to complete the online form, please contact the membership secretary.

If you do not have a smart phone, a physical membership card can be provided, but please allow 14 days to process before an event.

ANNUAL PHOTOGRAPH COMPETITION

2025 Photograph Competition

Rules:-

The 2025 Photograph Competition will be judged at the Dinner Dance on February 28th 2025. Anyone who wishes to enter should ideally bring their photographs along with them or alternatively send them to David Summerfield

- 1) All photos must be taken by LLRC members.
- 2) All photos must have been taken during 2025.
- 3) Maximum of 3 entries per member.
- 4) Photos do not have to feature Land Rovers but must capture some element of the clubs activities or Off Road Motor Sport.
- 5) All entries will be displayed anonymously.
- 6) Digital photos should be of a resolution appropriate for printing.
- 7) Entries will be judged by those members present at the Dinner Dance by using ballot slips.
- 8) Entries will be returned on request.

There's a nice trophy up for grabs so GOOD LUCK!

NOTICE OF MEETING

**The Lincolnshire Land Rover Club AGM will be held
on the 10th February 2026 CLICKEM INN LN8 6BS at 8pm.**

Agenda

1. Apologies
2. Minutes of the last meeting
3. Chairman's report
4. Treasurers report
5. Election of committee.
6. Election of secretary.
7. Election of Treasurer.
8. Election of Chairman
9. Any other business.

Items for the Agenda can be received up to 14 days prior to the meeting; these must be submitted to the secretary in writing, emails are not acceptable.

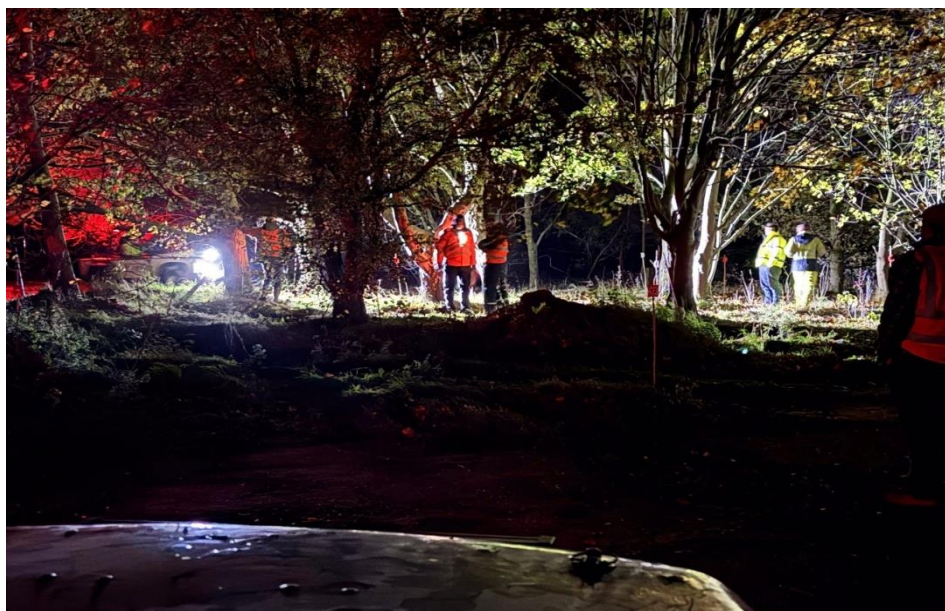

This is your chance to join the committee, elect or remove members and the only opportunity for changes to the club constitution.

The final agenda will be available on the day anybody wishing a copy please contact Richard Howard.

****The 2026 AGM will be followed by the normal monthly meeting.
This is to save peoples time and extra journeys.****

If you would like to join us on the Committee you are welcome to come along and sit in to see if you think it's for you. The committee meet every 2nd Tuesday of the month, either in person or via Zoom. We need positions on the Committee to be filled, this will help share the workload of others that have multiple role.

Thank you.

Club V'S Trophy 2025

Well done to P&D for the 3rd year of winning the club vs trophy.

The events included for 2025 are Wickenby Comp, Claxby CCV , RTV, Stainby Comp, Eckington RTV, CCV and Day Comp, Newton Lodge Comp, Brotherton CCV and the Malachi Comp. All events are included in both clubs championship, this is so all members of both clubs will be in attendance. Results are taken from the top 3 drivers from each club from the relevant disciplines. So both clubs can be rewarded points. Points will be rewarded from 10 to 5. Ie 1st 10, 2nd 9 3rd 8, 4th 7, 5th 6, 6th 5. The club with the most cumulative points at the end of the year takes home the trophy.

Above, Andrew Beever - second in standard class

a fast course better suited to the faster and more specialised buggies of the off road clubs was proved true this time. Clerk of the course, Rick Wells had set out a three-miles mix of fast stretches, undulating sections and spoil heaps - something to suit every driver and vehicle.

Nick Noguett eventually took the honours in his 4x4 buggy, with 3437 points, ahead of a string of ARC Land Rover-based specials. In second place was Chris Spalding, who spent most of the event airborne, leaping at every opportunity in

his now normal style of driving - which some would describe as more like flying!

Derek Yates took third place, Dave Wilding was fourth and David Fielding fifth. Only three seconds separated the three drivers.

Paul Clarke, driving his new Bowler class special finished sixth, with Chris Marlow the next-placed buggy in seventh place, leading a number of other 4x4 buggies. A good safari comp and enjoyed by all the drivers, despite the best efforts of afternoon rain showers to spoil the day.

Standard 90 wins through

A standard petrol Defender 90 has won the Association of Northern Car Clubs Comp Safari Championship - despite intense competition from some of the bigger-engined special buggies.

Glen McKeith ensured victory at the last round of the championships at Woodthorpe Hall, Sheffield, to win by just 14 points. The event was co-organised by the Pennine LRC, Peak & Dukeries LRC, the Northern Off-Road Club and Yorkshire ROC. Land rovers also took number

of other class wins in the championship. Andy Kemp took the modified production class, David Rae achieved victory in the modified diesel class driving a Defender Tdi, and Andy Wright held off Tim Lee's Lightweight to win by 18 points in his Series II for the leaf-sprung class. In the big-engined class (over 3.5-litres), Dave Hyde's ARC special 3.9 V8 won his class by 204 points - the largest margin of any class.

Left, Glen powering to victory in his Defender 90

NEWS ROUND-UP

Birthday request

The 101 Register is yet another club wondering what it can do to celebrate the 50th anniversary of Land Rover next year. Now, following an earlier request for ideas in its magazine *Six Stud* which met with very little response, chairman Chris Savidge asks again for input from club members. That 50th birthday will only happen once, after all. Also, in the latest issue, is a list of events that the club intends to attend during the remainder of the year. With three events planned for each month, members certainly look set for a very busy time ahead.

Quality Control

Clubs clearly don't happily tolerate poorly-built vehicles and this is highlighted in the Newcastle and Nantwich Rovers Owners Club's publication, *Flame On*. The writer pulls no punches as he attacks what he sees as modern Land Rover's problems: why quality has been so bad on new vehicles, the lack of directed marketing, and so on. We can only hope someone from Rover reads this article and addresses the dissatisfaction with the company that some enthusiasts feel.

New president

In the latest *ARC News*, the Association of Rover Clubs has officially announced the much-leaked news that they now have a president. After drawing up a shortlist of candidates, Nick J Stephenson, design and engineering director, and a Rover Group main board member, has agreed to take on this role. Editor Geoff Miller says the

A.R.C. NEWS

From A.R.C. Press & Publications Tel: 01789 710000
Head Office: Bradstone, Walsoken, Lincolnshire (on-line C177 1000)

circulation of the newsletter is now on the increase, with 26 of the ARC's 35 or so clubs having supplied a mailing list to them. The *ARC News* is seen by the ARC Council as an important step in getting the ARC message firmly across to all club members.

Another 50th

Pennine LRC is another club to announce plans to hold a special event to mark Land Rover's 50th anniversary next year. Offers of help and ideas should be directed to Dale Ingall, editor of *Bottom Box*.

The Pennine club also plans a return to the ever-popular Tong Hall near Bradford for its annual August Bank Holiday interclub event. A full weekend of events includes RTV, CCV, night and day, camp safari and possibly a point to point. For further details contact Ivor Hill on 01977 707895.

BOTTOM BOX

CLUBS ROUND-UP NORTH

Dave Barker witnesses airborne antics as triallists take on the tough terrain of a disused airfield

Four-wheel flying

Lincolnshire may be the flattest county in Britain, but there were plenty of challenging humps, lumps and bumps to negotiate when the Lincolnshire Land Rover Club staged an open event over the May Day weekend.

It is many years since aircraft flew from the disused airfield at Manby, near Louth. But for three days 'squadrons' of Land Rovers turned up, touched down – and spent plenty of time airborne.

This venue is used by several clubs and has a justified reputation for fast comp safaris. The weekend started with

Above, Derek Yates (third). Left, Chris Spalding (second)

open trials, both road taxed vehicle (RTV) and cross-country vehicle (CCV), as well as a ladies-only trial. Three days of fun finished with a comp safari.

Attendance for the trials was a little disappointing. This seems to be the pattern at most bank holiday events, as other activities often take precedence over Land Rovering.

Saturday's RTV was set out by Tony Summerfield and after a close day's sport was won by Vince Manterfield driving a

class 1 motor (Series 180) with a score of 20 points, 15 points clear of runner-up Paul Smith on 35, who drove a class 3 motor (standard SII/III). Vince also went on to win the Manby Overall Cup for the driver scoring most points in all three disciplines (RTV, CCV and comp safari). Running alongside the RTV was the ladies trial, won by Clare Denniss driving an 80 with a score of 52 points.

Superb Series I

Sunday's CCV attracted a larger field, with 25 motors, including 14 Series I 90s, starting – and all finishing.

John Dominy was the clear winner with 11 points, seven points clear of second-placed Martin Cooper driving his class 10 comp safari auto. Dave Rayson had one of his best drives, scoring 19 points to finish fourth overall and first in class 2 (SI 86/88, Lightweight). Rick Wells was rewarded for his long trip down from the Highlands of Scotland with a satisfying drive in Class 1, picking up 31 points for 12th overall.

Thrilling finale

The comp safari was the main attraction of the weekend, with competitors entered from a number of clubs. Ten runs were planned, all to count, and 30 drivers lined up at the start.

Manby's reputation for being

North Ormsby Comp Report

Cream crackered and the shoulders are starting to ache.... but what a fab weekend!

Sat saw us take the comp trailer to North Ormsby to help Steven with setting the course, a first for me and Matthew. The joys of the comp course having arrows as apposed white and red cane tops - the equestrian part of me doesn't get confused.

Zebedee also found his inner passenger princess and was having a great time riding around in the range. Course set, we hoped for a dry night with no wind so that the arrows would still be in place the following morning.

Sun, Matt carried out c of c duties for us. 7 vehicles scrutineered and drivers brief done it was time to get in the 12 runs of the day and try and beat the weather

First run was an interesting and painful one as there was a slight issue with the rear bump stops. A bit of fettling later and we was back out. Soon making up for the down time, getting in another 3 runs. It was then time to let me loose behind the wheel. First run wasn't without its blips with a couple of driver errors, but I managed not to do anything too wild. Steve has now joined Matt with the difficult task of trying to teach me to be mechanically sympathetic

There were 2 vehicle retirements but otherwise everyone got their runs in, with minimal incidents all before 2pm! That warranted a cheeky little stop at the pub afterwards

And the obligatory thanks you's:

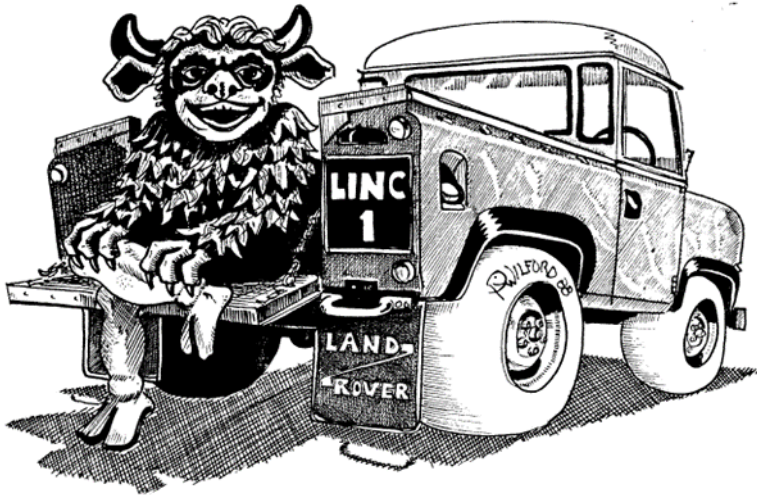

The land owner, marshalls and officials

Steve for letting me tag along

Karen for the laughs and tolerating Landrover antics

And Matt for putting up with me (although in fairness you did introduce me to this world)

Thanks to Louise for the write up.

Please check our website, Facebook and YOUTUBE Channel for updates as well as www.llrc.co.uk

Health and Safety

We are looking for volunteers to assist the club in first aid, the course we are looking at will be run over 3 days and be paid for by the club, the main reason we need this is for the Comp Safaris. The comp's need medical cover, if we carry on with paramedics, the cost of the club comps will need to increase substantially, which is something we don't want to pass on to the competitors. Not only will you be fully trained, have first aid not only for the club, it can be used in your day to day life, we really need your help in this. please let Richard Blackshaw know if your interested.

Wickenby Night RTV Report

So yesterday saw Khloe do her last trial for a while. It was our first time doing a night RTV and what good fun it was! Not realising Matt had decided to take on C of C duties, we rocked up with the 80 also in tow to help set a few sections and give it a test run before Brotherton in a few weeks time.

With 9 sections in and 7 drivers scrutinered and signed on, it was time to rock and roll. The first 2 sections were driven in the day light, and saw me get a 1 and 0 on the score sheet. Not a bad start before we had a break and waited for it to get dark.

First section once it was dark was the one myself and Matthew had set, so at least you'd think I would remember where it went. But not quite getting the line I wanted saw me add a 4.

Section 4 and I got a bit disoriented and thought I'd missed the 9 gate but spotted it just in time, although we didn't quite make it to the top of the climb. Although I got further than some and Matt and khloe unfortunately fell victim to a very soft patch, in which Khloe rather quickly sank. Two vehicle recovery later and we were back in action.

A few sections in and once again I drew lucky as I was on section as the heavens opened ☁️ so managed to avoid the soaking that everyone else got! The rain certainly made a big impact for the remaining sections (Matt H kindly managing get in a further 2 before it got dark taking us to 11). This saw a mixed bag of scores for everyone, so was hard to call who would be the top 3 at the end of the night.

The last section still held a few surprised on the scores front, it saw me add another 4 to the sheet as I very much took the wrong line and hit a lump hard (ouchie!) and brining us to an abrupt standstill.

Once the scores were in Matt was surprised with a 3rd place, then the surprises continued as I found out I'd finished 2nd! And [congratulations](#) to Charlie who bagged the top spot.

It was quite a way to finish out our RTV season and Khloe's last trial before her well deserved rebuild. My driving hasn't been where I would have liked it to have been most the year. So to have had such a good trial and finish with a placing was a bonus. Thanks as always to the Marshals, landowners and sponsors

The 2026 season will look a bit different for us next year as I will be having a bit of a break from RTV. Matt is going to compete with the rangie and I will do the odd novice trial with the 80, and as long as Steve hasn't decided he prefers life without a nav/Co driver. I'll hopefully be venturing further down the comp safari road .

A promotional graphic for Richard Williams Engineering Ltd. The background features a Union Jack flag. On the left, there is a photograph of a welder in a blue protective suit and mask, working on a metal structure with bright sparks. The company name 'Richard Williams' is written in a large, stylized, outlined font at the top. Below it, 'Engineering Ltd.' is written in a smaller, italicized font. A white rectangular box on the right contains the text 'TANKS & SPECIALIST FABRICATION' in bold, uppercase letters. At the bottom of this box, two phone numbers are listed: a landline number '01507 523019' and a mobile number '07984 187833', each preceded by its respective telephone icon.

Our Code of Conduct

Please take your time to read and understand this

Use only rights of way with known, proven or provable vehicular rights. If challenged, discuss; if not resolved, then leave as requested until status is rechecked.

Keep to the defined track. Detour only to pass immovable obstructions. Report any obstructions (including low branches) to the highway authority and the local GLASS Area Representative. Be critical of your own abilities and equipment when assessing an obstruction; it is your right to abate a non-lawful obstruction, but do not commit yourself to a bigger task than you are equipped for.

If the route is not obvious on the ground, ask locally, or check on the maps held at the highway authority offices or consult the local GLASS Area Representative.

Travel at a quiet and unobtrusive pace and as slowly as practicable; we recommend a maximum of 12 mph when in a 4x4 and on an Unsurfaced Right of Way (URoW). Ensure your vehicle is fully road-legal, URoW are subject to the same laws as surfaced roads.

When travelling in groups keep to a small number, four or less in sensitive areas, in other areas up to six vehicles **MAY** be acceptable. Guidance should be sought from the relevant GLASS Area Representative. Weather and ground conditions should also be taken into account. On routes in good condition, split larger parties up and either use a different route or allow a good interval, at least 30 minutes, to elapse before following. With adverse weather and/or poor ground conditions avoid committing a second group to follow the same route.

Do not travel on URoW when they risk being affected beyond a point of natural recovery once the weather improves. If need be, walk some or the entire route first to determine its suitability. Do not use URoW that maybe damaged by the wheel pressure applied by your vehicle.

Avoid damage to trees, hedgerows and boundaries. Some roads carry vehicular rights but are physically too narrow for 4x4s.

Do not practice recovery techniques on any URoW. Use a winch only with extreme caution, and use only the correct equipment and techniques.

Be courteous to other road users - pull over and stop your vehicle for walkers, but pull over, stop your vehicle and switch off the engine for passing horses. Thank those who move over for you.

After consultations with Country Landowners Association and National Farmers Union HQ's, **"best practice"** dictates that gates if they were found to be secured in an open position should be left open and those which are found shut or swinging should be shut behind you; the landowner might appreciate being told about a gate insecurely propped open if you see them.

Keep dogs and children under supervision. Watch out for injured or trapped animals, and report all suspicious events to the landholder.

Guard against all risks of fire. Take your litter home and that left by others if you see it, wherever practicable. Plastic bags can suffocate livestock if swallowed.

Help to keep all water clean. Remember that wildlife faces many threats and URoW are valuable habitats, take special care in spring and early summer. **Follow the Country Code**, it is for your guidance only.

Be considerate of group sizes at meeting points or food stops.

Would you like to sponsor an event in 2026?

As in previous years work is afoot to gain sponsorship for the events but we also want to give you, the club members the opportunity to sponsor an event if you wish.

Here are the basic details:-

The sponsorship on offer is for individual events often alongside the championship sponsor.

What will I get for my money I hear you ask?

- One membership
- Your name on the trophies at each event
- An advert in our bi-monthly magazine (if applicable)
- Frequent mentions on both our Website and Facebook pages where possible.

For individual events the cost is £75 (or £50 for existing Club Members.)

What happens next:-

If you would like to sponsor an event then please take a look at the Provisional Calendar and pick which event(s) you would like to sponsor. These will be allocated on a first come first served basis so if you wish to do this please act quickly. Please either contact myself (David) or Jon Sharpe to stake your claim and we will do the rest.
