The committee meet on the second Tuesday of the month

You may attend but you should contact the club secretary in advance if you have any issues that you may wish to discuss with the committee.

We are always on the lookout for new members to join the committee, if you think that you could offer your services in the running of your club get into touch with a committee member.

**The Press deadline for articles to be included in the Magazine is 5th
Nov 2026**

All competitive events start at 10 am unless otherwise stated. You must give yourself sufficient time before this time to sign on and get your vehicle scrutineered. You may not be permitted to enter an event after the drivers briefing. For any event next year, please make sure that you renew your **2026 club membership card, 2026 Motorsport UK RS Clubman License**. For Comp Safari and CCV's you will also need your **ALRC logbook**.

All material is copyright of the Lincolnshire Land Rover Club Ltd. 1986. No material is to be reproduced without the written permission of the editor. Whilst every effort is made to publish member's material the editor will not print anything he/she considers libellous, untrue or offensive to other persons. Distribution queries should be addressed to either the Membership secretary or the Club Secretary of THE LINCOLNSHIRE LAND ROVER CLUB

Lincolnshire Land Rover Club 2026 Calendar

Please find attached the last few events for 2026.. If you can help in anyway, please let an officer or Jon Sharpe know. ****CLERKS OF COURSE ARE NEEDED FOR ALL EVENTS – AS A REMINDER - TO BE PART OF THE CHAMPIONSHIP YOU MUST HELP SET AN EVENT**

Month	Day	Venue	Event	Clerks of Course
September	27	Newton Lodge	Comp	P&D
October	4	North Ormsby	RTV	
October	18	North Ormsby	Comp	
October	24 & 25	Wickenby	CCV Night and Day trial	Gordy/jon
November	7	Wickenby	RTV Night trial	Matt H
November	15	Brotherton	CCV	YLROC
November	28 & 29	Wickenby	Malachi Comp	Nathan

LAND APPEAL

We are always on the lookout for land to be able to give members choice for events. If you know of anywhere you think may be suitable, please contact any committee member with the details.

The club now has our own YouTube and TIKTOK CHANNEL – Search for Lincolnshire Land Rover Club to see the latest videos.

Appeal for marshals at events

We need you – we can't RUN events without you. If you would like to know a little more about marshalling or helping at events, please get in touch with Andy Balistrari on 07984 447802.

Andy is Chief Marshal and will be happy to speak to you and assist you on the day of an event.

Editors Ramblings

Hi all and welcome to the Aug/Sept edition of the magazine, the year now seems to be flying. With the nights now starting to draw in the equestrian in me is already mourning the summer, but it does mean that the season of the night events will soon be upon us which always adds a fun element to each of the disciplines be it RTV, CCV or the

comp. The season change also means we are fast approaching the end of the year, so don't miss out and get yourselves to the last events in the calendar.

I have previously mentioned the risk of shameless plugs of the club shop and well here it is.... this edition includes a list of current stock and prices, especially for those super organised Christmas shoppers! On other magazine related business, please do share your writes ups from events and any photos. This is your magazine too and content is greatly appreciated 😊

Hope to see you at one of the upcoming events

Louise

CHAIRMAN'S CHAT

So summer has been and gone, and we are heading into Autumn at full steam. The club has had a busy couple of months, including our 2nd Junior/Senior comp, an event which is continuing to grow as it looks to the future with a new generation of drivers. The event at Stainby was another success and hopefully it will be in the calendar for next year.

We went and supported our friends at P&D with their interclub weekend at Eckington, unfortunately summer thought it had finished and was a very wet and muddy weekend. But I am sure of all that were there had a good time. We also had club members and teams take away trophies over the weekend. So well done all.

Myself, Richard and Ben went down to the Majors 2 day Team of 3 CCV the home of the 2026 nationals and what a cracking weekend was had. I wish we could get more than 1 team to go as the site and competition over the weekend is great. We had 22 teams from around the UK, Lincs finished 5th, with P&D, taking the honours again.

Talking of the NATIONALS, the 2027 ALRC Nationals is taking place at TONG, near Bradford, if any club member is interested in helping with an event, the ALRC are looking for volunteers or a club to help with the running of CCV and Comp Safari. Please let me know if you are interested.

The committee are working in the background, planning the calendar for 2027, if you have any ideas for events or land we can use, then again please let myself know and we can look at putting it in to the calendar. Or if you have any feedback from what has worked or not worked over the last couple of years. We would like your input. The final details are also being worked on for the Dinner Dance. A new venue and menu should be with us in the next couple of weeks, so watch out for a post on Facebook, so you can pencil it in your Diary.

We are heading to the end of the year and some championships are still up for the taking, we still have 2 rounds in the ccv, comp and RTV to go. Please come along and support where possible.

Including the night/Day CCV and Night RTV, these at events are good fun and different in the dark. But again, Marshalls are needed to make sure the events run safe, if you can spare any time, it would be appreciated.

We finish the year at Wickenby with the Malachi, where we will need Marshalls especially on the night comp. Please if you can help for an evening it would be much appreciated, you will also get fed and watered.

Hope to see you at an event before the end of the year

Thanks

David

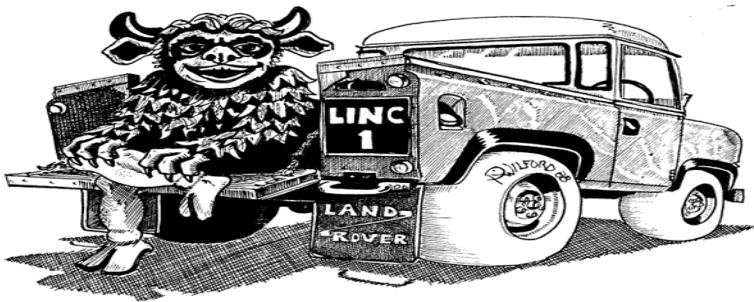

Club V'S Trophy 2025

With only 2 events left to go, lets see if we can get some much needed points on the board and not let P&D take the trophy once again!

The events included for 2026 are Stainby RTV & CCV, Claxby CCV & RTV, Stainby Comp, Eckington RTV, CCV and Day Comp, Brotherton CCV and the Malachi Comp. So 10 events, all events are included in both clubs championship, and allow all members of both clubs to be in attendance. Results are taken from the top 3 drivers from each club from the relevant disciplines. So both clubs can be rewarded points. Points will be rewarded from 10 to 5. Ie 1st 10, 2nd 9 3rd 8, 4th 7, 5th 6, 6th 5. The club with the most cumulative points at the end of the year takes home the trophy.

Spot the landrover.....

Recent Tyros

Claxby - May Bank Holiday

In my opinion Tyros are the way forward - especially for The Club's younger members/beginners. Loosing our regular field at Claxby was a blow but thanks to the generosity of Land Owner Simon Herring, Richard was able to set a great event next to my former home at Mill House Farm, Walesby. Claxby saw 4 entries with good driving from the youngest of the Bayliss girls (Abbi and Mia - no competition in that

household). Kacy Summerfield did really well as did Rachel Turner - Jonathan's Wife - who won the Licenced drivers class. Winner of the unlicensed class was Mia Bayliss

Stainby July

Different landscape to Walesby but again Mr B as Clerk of Course. The main problem was getting the canes to stay in the ground which really was like concrete! Anyway off we went on an absolutely scorching afternoon - again the Bayliss girls going for it together with Jonathan Turner with Rachel in the front and Ernie in the back, new member Pete with his lady, Abbi and Mia Bayliss with Dad next to them, separately of course, Amelia Kirby Gale with Dad Terry next to her, Kacy was back again with Dad Richard, Nathan Gratrix with Ruben in with him. We also had new member Lex Groves in his shiny Defender 130 which made the Clerk of Course slightly nervous!

Everyone was on good form despite the heat with eventual winners on the day being Jonathan "I've still got it Sue" Turner winning the Licenced class and Kacy Summerfield winning the unlicensed class. Amelia was presented with the Tyro cup for last year which was a nice surprise for her.

Thanks go to all that marshalled for either event and special thanks to Richard for Clerking both events. Our generous Sponsor is Ryan Gibson so also sincere thanks to him.

Please keep supporting Tyros both with entries and Marshals- don't leave it all to others. Opportunities for everyone are what's required. I've known some of these drivers since they were babies in pushchairs and now they are driving Dad's pride and joy in fact I even knew 2 of the Dads when they were tots! Showing my age now!

Mrs B

Thanks for the write ups Sue and for the pics!

Amelia with the TYRO cup

Eckington 2026 🌟

Where to start? 🧐

It was an amazing Bank Holiday Weekend at Eckington Where there was no day of not doing something ❤️

🔥 THURSDAY

Thursday we needed to get all the spares loaded and to take Blaze over by itself as we needed to bring Havoc and Chaos on the Friday.

Dropped Blaze off that night and headed back home 🤔

🔥 FRIDAY

Friday started off with getting Chaos and Havoc loaded up ready to take to Eckington. We headed on our journey but 20 mins down the road, the truck decided to ping some lights up on the dash meaning that a 1.5hr Journey ended being a 2.5hr Journey which wasn't the best 🙄 We managed to get there and as you may have already seen, we got Havoc out to tow the Truck and the van onto the Field and into place. All set up and before we knew it, it was time for the RC Trial for Mia, Nathan and Dad. This went really well and Dad managed to get 3rd overall in the 16+ Class.

🔥 SATURDAY

CCV Trial Time! On the Saturday, Chloe with Nathan and Dad with Abbi entered the CCV in Havoc. First few sections were going well for Chloe getting some decent scores but then went down hill from then. Dad on the other hand was the other way round. He managed to have an end score of 67 and Chloe managed to achieve 83 which really wasn't the best but we both had an amazing time!

🔥 SUNDAY

Sunday was Mia's day! She entered the TYRO which she smashed! On all the sections, she got clears. No score at all which is amazing. She then went head to head with the others that managed to do the same. She then needed to do a section from the 6 to 1 gate and it was the slowest person through. And she was the slowest by 1min +. This was amazing! Super proud! 1st overall in the Unlicensed!

Then we all walked the comp course ready for that night when the Night Comp started for Chloe with Nathan/Jon and Dad with Abbi. It was a very twisty, tight course which really didn't suit Blaze and alot of trees which didn't suit Chloe. But we got on with it. The night comp started and all went well for the 1st run. A few hold ups on the way so for the first run when it was meant to be 70% light, it was Dark! After our 1st runs, the storm came. It poured it down. We waited for the rain to clear so we could go back out and get our runs in. Some scary slides down slippy banks for Chloe and Nathan in Chaos. Night Comp came to an end with Dad 2nd overall, 1st in Class 🏆 And Chloe 10th overall and 4th in class! Out of 27 starters 🥳 Amazing!

🔥 MONDAY

Day Comp time! We took all the lights off from the Night Comp and got ready for the Day runs. We were the 1st ones off the light so got all the water from the night in all the holes in the course which was crazy. Which also was one of the 1st issues Chloe had with Chaos. She was going a little bit too fast on one of the runs causing the water to reach the amplifier unit under the bonnet cutting out the engine and getting a Maximum time 🙄 Blaze was going strong getting really good times until on Run 5 when the Fuel pump was sounding a little weird so changed that to a different one and went back out. Both Blaze and Chaos then completed all their runs that were needed as it was 8 runs but 6 to count as the course had changed from the Night comp but no one had time to walk it so 2 runs to get used to where the course had changed. Chloe did manage to put Chaos into a Tree backwards from getting stuck up a hill and rolling backwards, bending the Drivers Mirror. On Run 7, Blaze decided to take a turn... literally! It spat Dad and Abbi off the course where the Hub decided to snap off. The wheel came off with only the Braided Brake Pipe holding it onto the vehicle. The Service Crew came out with tools to fix a new Hub onto Blaze and got back to the Service Area. Chaos went out for Run 7 and 8. All day, Chloe was getting over 7min runs but she wanted to be better by getting under. On Run 7, she tried a small margin more and managed to do this. 6.58! Crazy but this wasn't enough. Went out for the Final Lap wanting more but risked it a little too much. She went into a Tree which resulted in bending the bumper, bending the wing and also bending the Wheel. Luckily the wheel stayed inflated!.

At the end, Dad managed to get 2nd overall, 1st in Class and Chloe managed to get 9th Overall and 4th in Class... again! 🏆🥰

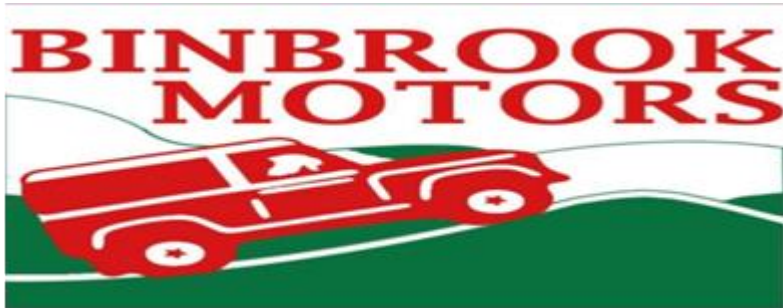

We would like to thank everyone that supported us and to all the officials that made this event happen. Extra special thank you to the Tractor Driver that towed the Truck out onto the Road.

Thanks to the OFG team for the write up

Saturday&Sunday 24th/25th October

CofC – Jon Sharpe/Gordy Renshaw

Come and have a go at our yearly unique trialling experience. Sections will run on the Saturday afternoon and continue on the Sunday. The Saturday will consist of a couple of warm up sections, followed by a break to ensure it gets dark and a further 10 sections. with up to 10 sections on the Sunday.

Rules:

These night rules are in addition to the normal CCV rules specified in the ALRC yearbook

- 1) All drivers must supply their own torch for walking the course.
- 2) A fluorescent jacket **MUST** be worn by all drivers, navigators and marshals whenever they are out of a vehicle.
- 3) Up to 6 forward facing lights may be fitted, all must be forward of the driver and fixed and not moveable by the driver or passenger while competing.
- 4) LED lights will count as 1 per 150mm (6") rounded up, so a 2 foot bar counts as 4 lamps.
- 5) Torches must be switched off and stored safely when driving.

6) All rear lights (4 max, 1 min) must be red and 21 watt.

7) Reversing lights can only be used when operated by a gearbox switch.

Times:

Saturday

Scrutineering 3 pm

First section 4 pm

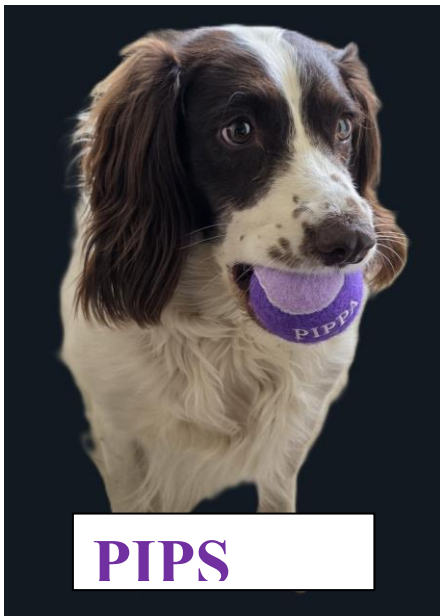

Sunday 10am

If we have plenty of drivers we will just go straight through with no break, as hopefully it will be dark after 2/3 sections

Cost £50 for 2 days trialling or £30 for a one-day entry, both days count towards the 2026 championship.

Marshals are required please - More the merrier to help with the darkness. I promise the sun will be shining this year. 🐾🐾

Camping will be available on the Saturday night. There is no water or facilities.

If your pooches would like to feature in Pip's pals and share their land rover adventures, please send in your pics 😊

Cooper enjoyed the mud at Eckington and Pip with her comp buddies

Our Code of Conduct

Our forgotten roads
GLASS code of conduct
Rights of way explained
GLASS on Social Media
Showtime!
Donate to our fighting fund
Corporate
Club Affiliation

Please take your time to read and understand this

Use only rights of way with known, proven or provable vehicular rights. If challenged, discuss; if not resolved, then leave as requested until status is rechecked.

Keep to the defined track. Detour only to pass immovable obstructions. Report any obstructions (including low branches) to the highway authority and the local GLASS Area Representative. Be critical of your own abilities and equipment when assessing an obstruction; it is your right to abate a non-lawful obstruction, but do not commit yourself to a bigger task than you are equipped for.

If the route is not obvious on the ground, ask locally, or check on the maps held at the highway authority offices or consult the local GLASS Area Representative.

Travel at a quiet and unobtrusive pace and as slowly as practicable; we recommend a maximum of 12 mph when in a 4x4 and on an Unsurfaced Right of Way (URoW). Ensure your vehicle is fully road-legal, URoW are subject to the same laws as surfaced roads.

When travelling in groups keep to a small number, four or less in sensitive areas, in other areas up to six vehicles **MAY** be acceptable. Guidance should be sought from the relevant GLASS Area Representative. Weather and ground conditions should also be taken into account. On routes in good condition, split larger parties up and either use a different route or allow a good interval, at least 30 minutes, to elapse before following. With adverse weather and/or poor ground conditions avoid committing a second group to follow the same route.

Do not travel on URoW when they risk being affected beyond a point of natural recovery once the weather improves. If need be, walk some or the entire route first to determine its suitability. Do not use URoW that maybe damaged by the wheel pressure applied by your vehicle.

Avoid damage to trees, hedgerows and boundaries. Some roads carry vehicular rights but are physically too narrow for 4x4s.

Do not practice recovery techniques on any URoW. Use a winch only with extreme caution, and use only the correct equipment and techniques.

Be courteous to other road users - pull over and stop your vehicle for walkers, but pull over, stop your vehicle and switch off the engine for passing horses. Thank those who move over for you.

After consultations with Country Landowners Association and National Farmers Union HQ's, "**best practice**" dictates that gates if they were found to be secured in an open position should be left open and those which are found shut or swinging should be shut behind you; the landowner might appreciate being told about a gate insecurely propped open if you see them.

Keep dogs and children under supervision. Watch out for injured or trapped animals, and report all suspicious events to the landholder.

Guard against all risks of fire. Take your litter home and that left by others if you see it, wherever practicable. Plastic bags can suffocate livestock if swallowed.

Help to keep all water clean. Remember that wildlife faces many threats and URoW are valuable habitats, take special care in spring and early summer. **Follow the Country Code**, it is for your guidance only.

Be considerate of group sizes at meeting points or food stops.

Would you like to sponsor an event in 2026?

As in previous years work is afoot to gain sponsorship for the events but we also want to give you, the club members the opportunity to sponsor an event if you wish.

Here are the basic details:-

The sponsorship on offer is for individual events often alongside the championship sponsor.

What will I get for my money I hear you ask?

- One membership
- Your name on the trophies at each event
- An advert in our bi-monthly magazine (if applicable)
- Frequent mentions on both our Website and Facebook pages where possible.

For individual events the cost is £75 (or £50 for existing Club Members.)

What happens next:-

If you would like to sponsor an event then please take a look at the Provisional Calendar and pick which event(s) you would like to sponsor. These will be allocated on a first come first served basis so if you wish to do this please act quickly. Please either contact myself (David) or Jon Sharpe to stake your claim and we will do the rest.
